Dear Frank:

We were all very pleased to learn that you will be with us on October 13th for the dedication of the Wallace F. Stettler Learning Resource Center. I know how busy your schedule must be and realize that you have many commitments which leave you with very little time for yourself.

We were doubly pleased that you would speak at the dinner on the evening of October 13th for it was your role of leadership in the recovery from Agnes that helped make possible the rebuilding of Wyoming Seminary and Wyoming Valley.

We are planning a short dedication ceremony in front of the new building at 5 p.m. followed by dinner in the dining hall at approximately 6 p.m. The program at dinner will focus mainly on your comments with remarks also by Dr. Stettler.

We would be most happy to meet you at the airport when you arrive and would also be glad to make overnight accommodations for you.

Needless to say, Dr. Stettler and the committee feel that this dedication takes on an added ingredient by your being with us.

We look forward to seeing you.

Sincerely yours,
